

In Touch

Kia Orana, we're starting 2012 with a back to school free offer for new Broadband connections. Let's help our kids get connected to the internet, the information highway.

We have in store the latest Samsung Galaxy S2 smartphone. Known to rival the latest Iphone, it is a winner with its design features, applications and functionality. So get the best out of this phone by signing up now to one of our ANYTIME plans today.

Keep an eye out for more specials and savings as we continue to reduce prices, increase speeds, and give more back to you in 2012.

Happy New Year from all the team at Telecom Cook Islands.

Back to SCHOOL - Internet Special

If your looking to go to the top of the class, then the internet can help you get there! Sign up to one of our great Broadband plans during January and February, and get FREE registration, FREE wireless modem and your first month rental FREE! Valued at over \$205. Special conditions apply, so come on in and see one of our friendly staff today.

ANYTIME Mobile Plans

When looking for a Mobile plan look no further. We've bundled calling, text, and now data so you can check your facebook, email or just browse the net anytime.

ANYTIME 30 - 40 minutes calling, 40 MB data, and 750 Texts for just \$30 per mth.

Designed for customers who are heavy text users, or existing prepay customers wanting to get more value for money. Valued at \$100 a month.

ANYTIME 60 - 100 minutes calling, 100 MB data, and 600 texts for just \$60 per mth.

Perfect for the home user or small business person, this new plan is a balance of text, calling, and data for the person who wants more. Valued at \$120 a month.

ANYTIME 90 - 200 minutes calling, 200 MB data, and 500 texts for just \$90 per mth.

Ideal for the business person, with loads of calling, data and texts, turning your phone into an office on the go. Valued at \$190 a month.

Prepaid rate

As a Prepay customer enjoy more talk time to family and friends during peak hours. Our peak hour calling rate has been reduced by 20%, from 99c to 79c a minute!

ATIU is online!

Mobile service is now a reality for our customers in Atiu. In December a Telecom team travelled up to Atiu to install the new cell tower providing mobile service to the people of Atiu as well as introducing our e-Service, so now our Atiu warriors can top up with ease!
