

In Touch

Jules Maher - CEO Telecom Cook Islands

Kia Orana, from all of us here at Telecom Cook Islands.

This month we are celebrating turning 20 so thank you for your support, feedback and partnership. July starts with a week of specials and giveaways and continues with \$5.00 national capped calls keeping us all in touch.

Telecom's achievements over the last 20 years are too many to list here, but I want to note some of the bigger ones, such as: installing landline and broadband services to ALL populated Sister Islands; introduction of 500 texts for \$10; opening the new Teleshop in the CITC complex; expansion of mobile services to Mangaia & Manihiki (with 4 more islands over the next 12 months); signing a contract with O3b Satellite Networks to deliver fast, cheaper broadband in mid 2013; and regular reductions in prices (with more price changes to be made over the next few months).

~ Meitaki maata e Kia Manuia Jules.

what's

going
ON....

directory 2012

IT'S DIRECTORY TIME AGAIN so here are some easy steps to make sure you are listed! Remember your listing for your landline is free and if you are a mobile postpaid customer with Telecom, your listing is also FREE.

1. You need to check your listing;
2. You can do that by either phoning 123 or coming into your nearest Telecom outlet or mail depot so look out for the Directory poster;
3. If you want to change your listing you need to make sure you fill out an amendment form;
4. If you want to create a listing as a new customer no problem just follow step 2;
5. Remember if there are any changes to your listing or advertisements you just need to let us know.

Our directory team can advise you on ways to maximise your business through the yellow pages, directory adverts, online directory and your listings, so contact any of our directory representatives NOW. So YOU don't miss out in the 2012 Cook Islands Telephone Directory Book.

what's

going
ON....

e-Service

At Telecom we're changing the way we do business. At the beginning of this year we commenced the roll out of a new technology that replaces our old Top Up cards, WiFi cards, and Kia Orana Calling cards. This new technology, that we call e-Service, means we can electronically transfer credit to your phone for each of our services. It also allows you to purchase smaller mobile top up amounts, as low as \$5, and varied amounts, such as \$7.50, for your convenience.

If you're looking to top up your mobile phone, access WiFi, or call overseas, you can now do this at any of our new Resellers:

- Vonnias Main Store, Warehouse, and Arorangi
- Corner Store
- Rite Price
- Super Brown
- Friendly Mart
- Manea Foods (Arorangi)

So be sure to drop in and purchase credit from a store near you.
